7 to employees of such department with respect to the
8 selection and assignment of such employees for training
9 by, in, and through non-Government facilities and the
10 limitations and restrictions applicable to such training
11 in accordance with this Act, and

12 (2) give appropriate consideration to the needs and
13 requirements of such department in recruiting and
14 retaining scientific, professional, technical, and adminis-
15 trative employees.

16 (c) Each department shall issue such regulations as the
17 department deems necessary to implement the regulations of
18 the Commission issued under section 6 (a) (8) in order to
19 protect the Government with respect to payment and reim-

21 EXPENSES OF TRAINING THROUGH GOVERNMENT
22 FACILITIES AND NON-GOVERNMENT FACILITIES

23 SEC. 10. The head of each department in accordance
24 with regulations issued by the Commission under authority

H. R. 6001—3

1 of section 6 (a) (8) is authorized, from funds appropriated
2 or otherwise available to such department, (1) to pay all
3 or any part of the salary, pay, or compensation (excluding
4 overtime, holiday, and night differential pay) of each em-
5 ployee of such department who is selected and assigned for
6 training by, in, or through Government facilities or non-
7 Government facilities under authority of this Act, for each
8 period of such training of such employee, and (2) to pay,
9 or reimburse such employee for, the necessary expenses of
10 such training, without regard to section 3648 of the Revised
11 Statutes (31 U. S. C. 529), including among such expenses
12 the necessary costs of (A) travel and per diem in lieu of

17 storage, drayage, and unpacking in accordance with the

1 employee. Such expenses of training shall not be deemed
2 to include membership fees except to the extent that such
3 fees are a necessary cost directly related to the training
4 itself or that payment thereof is a condition precedent to
5 undergoing such training.

6 AGREEMENTS OF EMPLOYEES RECEIVING TRAINING
7 THROUGH NON-GOVERNMENT FACILITIES TO CONTINUE
8 IN GOVERNMENT SERVICE FOR CERTAIN PERIODS

9 SEC. 11. (a) Each employee who is selected for train-
10 ing by, in, or through a non-Government facility under au-
11 thority of this Act shall, prior to his actual assignment for
12 such training, enter into a written agreement with the Gov-
13 ernment to the effect that (1) after the expiration of the
14 period of his training, he will continue in the service of his
15 department for a period at least equal to three times the
16 length of the period of such training unless he is involun-
17 tarily separated from the service of his department, and (2)
18 if he is voluntarily separated from the service of his depart-
19 ment prior to the expiration of the period for which he has
20 agreed to continue in the service of his department after
21 such period of training, he will pay to the Government the
22 amount of the additional expenses incurred by the Govern-
23 ment in connection with his training. No employee selected
24 for such training shall be assigned thereto unless he has
25 entered into such agreement.

1 (b) An employee who, by reason of his entrance into
2 the service of another department or of any other agency
3 in any branch of the Government, fails to continue, after
4 his training, in the service of his department for the period
5 specified in such agreement, shall not be required to pay
6 to the Government the amount of the additional expenses
7 incurred by the Government in connection with his training
8 unless the head of the department which has authorized
9 such training notifies the employee prior to the effective date
10 of his entrance into the service of such other department
11 or agency that such payment will be required under author-
12 ity of this section.

13 (c) If any employee (other than an employee relieved
14 of liability under subsection (b) of this section or under
15 subsection (b) of section 4) fails to fulfill his agreement to
16 pay to the Government the additional expenses incurred by
17 the Government in connection with his training, a sum equal
18 to the amount of such additional expenses of training shall
19 be recoverable by the Government from such employee or
20 his estate (1) by setoff of accrued salary, pay, compensation,
21 amount of retirement credit, or other amount due such
22 employee from the Government and (2) by such other
23 method as may be provided by law for the recovery of
24 amounts owing to the Government. The head of the depart-

1 ment concerned may, in accordance with regulations of the
2 Commission, waive in whole or in part any right of recovery
3 under this subsection, if it is shown that such recovery
4 would be against equity and good conscience or against the
5 public interest.

7 NON-GOVERNMENT FACILITIES

8 SEC. 12. (a) The training of employees by, in, and
9 through non-Government facilities under authority of this Act

16 as disclosed by the budget estimates for such department
17 for such year.

18 (2) No employee having less than one year of
19 current, continuous civilian service in the Government
20 shall be eligible for such training unless the head of
21 his department determines, in accordance with regula-
22 tions of the Commission, that such training for such
23 employee is in the public interest.

24 (3) In the first ten-year period of his continuous

for { 1 or noncontinuous civilian service in the Government fol-
2 lowing the date of his initial entry into the civilian
3 service of the Government, and in each ten-year period
4 of such service occurring thereafter, the time spent by
5 an employee in such training shall not exceed one year.

6 (4) The Commission is authorized, in its discre-
7 tion, to prescribe such other limitations, in accordance
8 with the provisions and purposes of this Act, with re-
9 spect to the time which may be spent by an employee in
10 such training, as the Commission deems appropriate.

11 (b) The Commission is authorized, in its discretion,
12 to waive, with respect to any department or part thereof
13 or any employee or employees therein, any or all of the
14 restrictions covered by subsection (a) of this section, upon
15 recommendation of the head of the department concerned, if
16 the Commission determines that the application of any or
17 all of such restrictions to any department or part thereof
18 or employee or employees therein is contrary to the public
19 interest. The Commission is further authorized, in its dis-
20 cretion, to reimpose in the public interest, with respect to
21 any such department or part thereof, or any such employee

8 or reimbursement by the Government of the costs of such
9 training, either (1) for the purpose of providing an oppor-
10 tunity to such employee to obtain an academic degree in
11 order to qualify for appointment to a particular position
12 for which such academic degree is a basic requirement or
13 (2) solely for the purpose of providing an opportunity to
14 such employee to obtain one or more academic degrees.

18 SEC. 14. No part of any appropriation of, or of any

20 available for payment for the training of any employee by,
21 in, or through any non-Government facility teaching or advo-
22 cating the overthrow of the Government of the United

1 States by force or violence, or by or through any individual
2 with respect to whom determination has been made by a
3 proper Government administrative or investigatory authority
4 that, on the basis of information or evidence developed in
5 investigations and procedures authorized by law or Executive

14 thereunder, of such department for the training of its em-
15 ployees by, in, and through non-Government facilities under
16 authority of this Act in order to determine whether such
17 operations, activities, and related transactions are in compli-
18 ance with such programs and plans, with the provisions and
19 purposes of this Act, and with the principles, standards, and
20 related requirements contained in the regulations of the Com-
21 mission prescribed thereunder. Upon request of the Com-

23 the Commission in such review. If the Commission finds
24 that noncompliance exists, the Commission, after consulta-
25 tion with such department, shall have authority to order the

1 modification or change of actions and procedures of such
2 department thereafter in connection with such training pro-
3 grams and plans. The Commission shall certify to such
4 department any action taken by the Commission under this
5 section. The department shall take action in accordance
6 with such certificate.

8 SEC. 16. The Commission is authorized, to the extent
9 it deems appropriate in the public interest, to collect infor-
10 mation, from time to time, with respect to training programs,
11 plans, and methods in and outside the Government. Upon
12 appropriate request, the Commission may make such
13 information available to any agency in any branch of the
14 Government.
